

## **AMTA 2016 Paper Submittal Instructions**

**Papers are limited to six (6) pages.** All papers should be in **High Quality Searchable Adobe PDF Format** and submitted electronically on-line. You may also submit your final paper in MS Word format.

**Due date: August 1, 2016**

Please note that any paper received after the due date is not guaranteed to be published in the AMTA 2016 Proceedings.

**IMPORTANT:** In the event you are unable to attend the AMTA 2016 symposium or present your paper, please contact the Technical Coordinator, Dirk Heberling, **technical-coordinator@amta.org**, as soon as possible so that the technical program can be adjusted. It is permissible for a primary author to send a substitute presenter, as long as the original manuscript is received by the deadline.
